LIMITAÇÕES

# Limitações (Constraints)

Restringir interações do usuário para indicar o caminho / uso correto do objeto.

As limitações podem moldar a forma como objetos são criados.

# Exemplos de Limitações

- Caracteres
- Input
- Opções
- Conteúdo

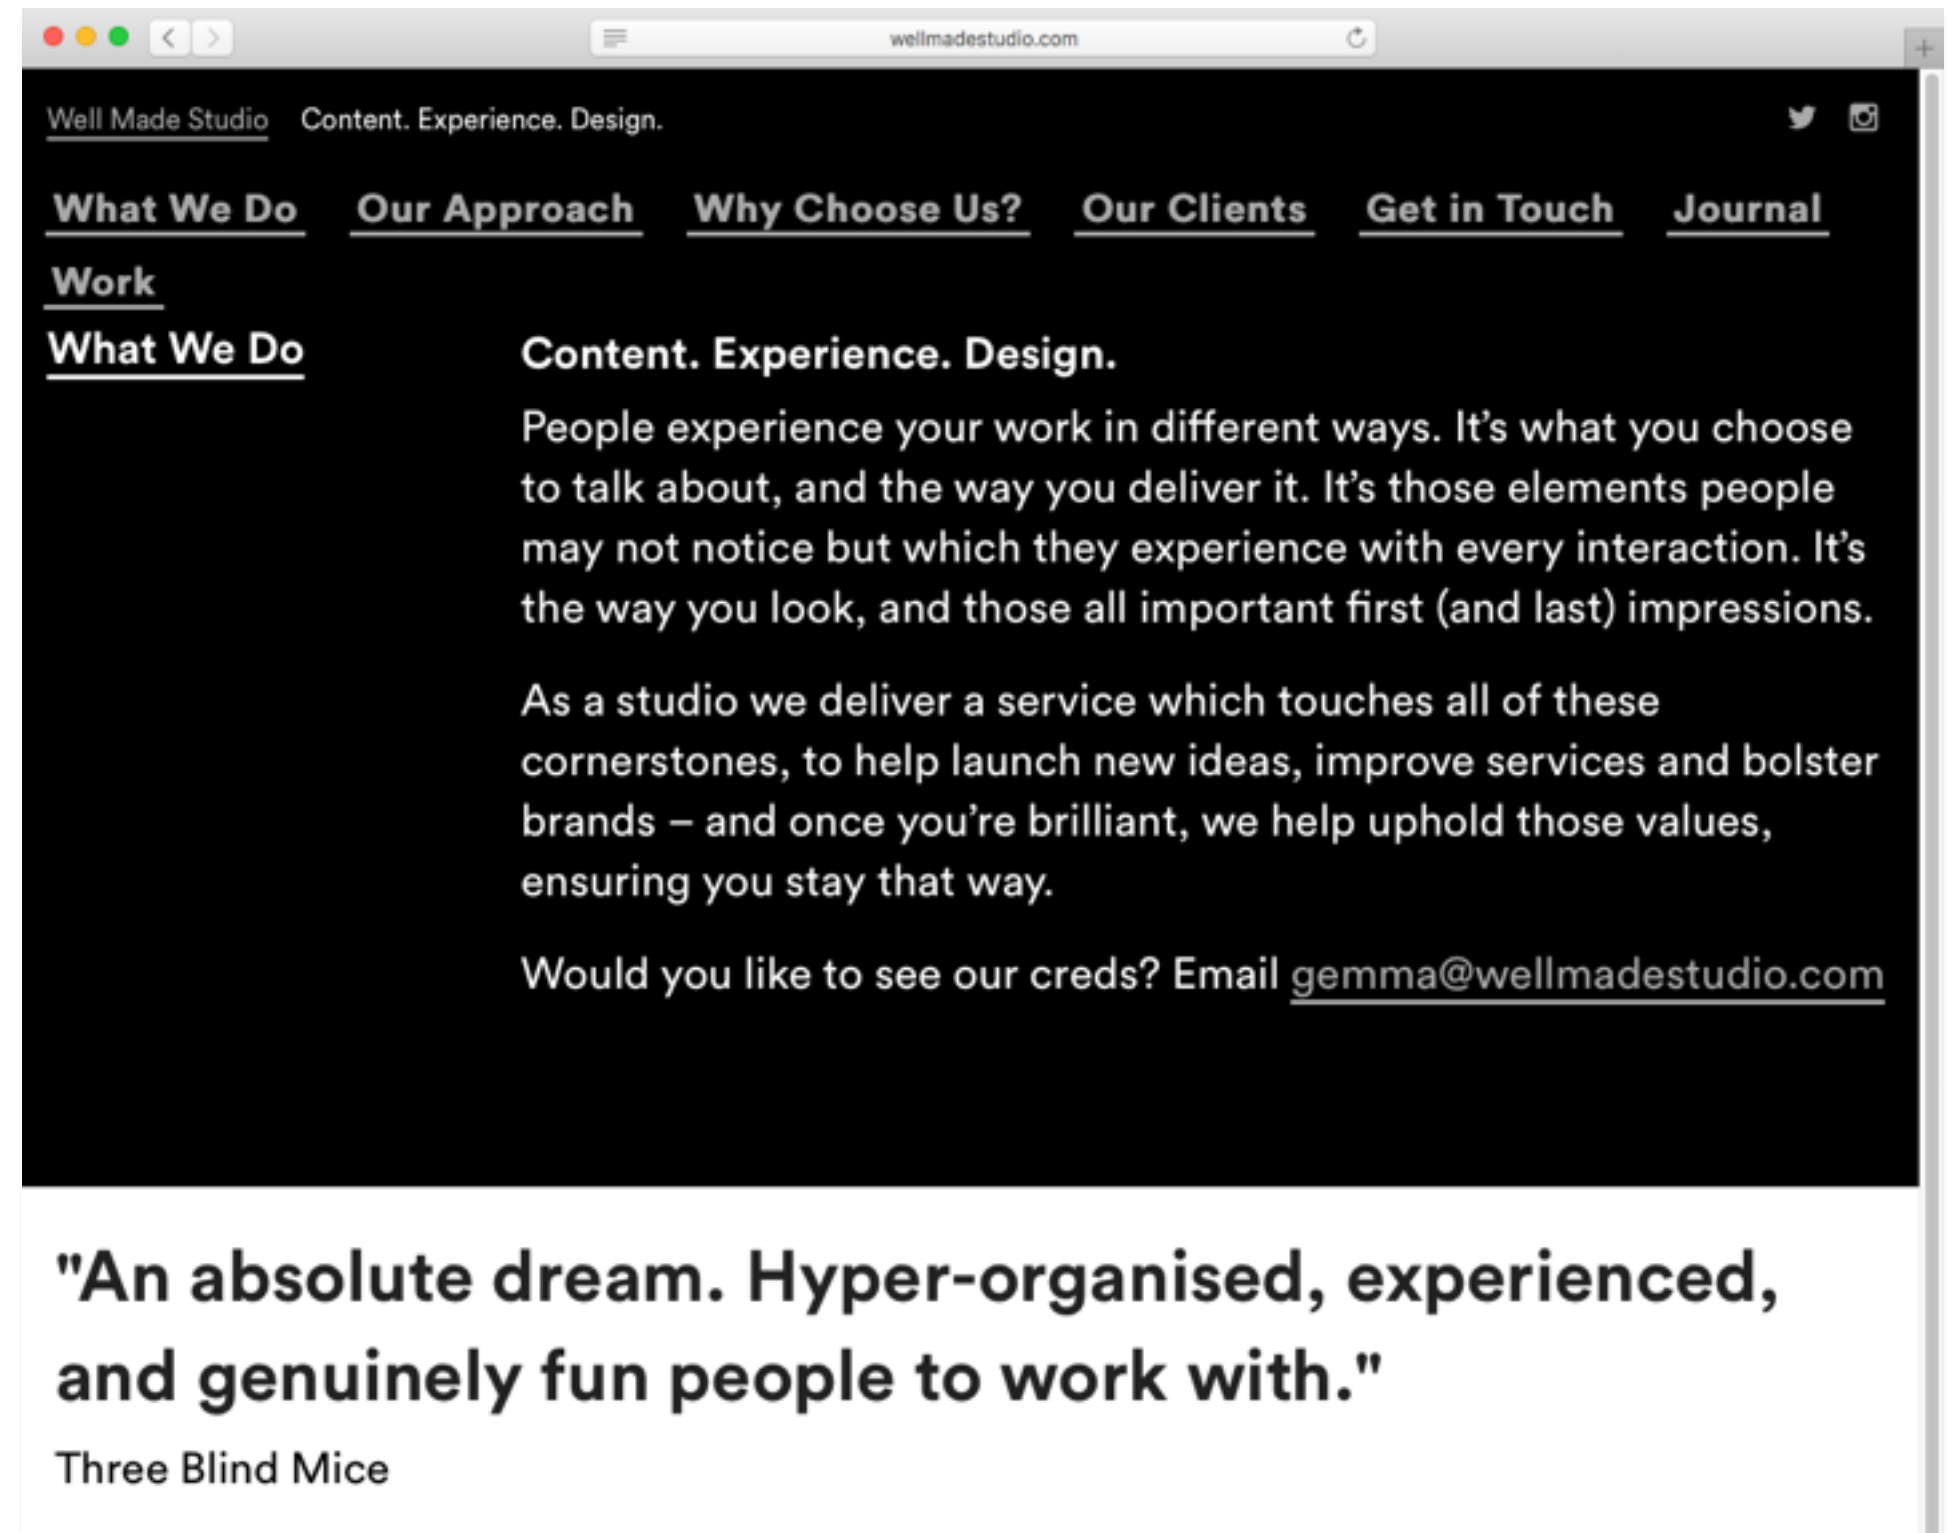

The screenshot shows a web browser window with the GitHub logo and navigation links (Pull requests, Issues, Gist) at the top. The main content area displays an 'Upgrade' section on the left with the text 'Get unlimited private repositories.' and 'Plan price \$7.00/month'. To the right, the 'Plan duration' section has two radio buttons: '\$7.00/month' (selected) and '\$84.00/year'. Below this, the 'Pay with' section has two radio buttons: 'Credit card' (selected) and 'PayPal account'. The 'Credit card' section includes input fields for 'Credit card number', 'Expiration (MM/YY)' (with a dropdown arrow), and 'Security code (?)'. Below these are 'Country' (with a dropdown arrow) and 'Postal Code' (with a dropdown arrow). A green-bordered box highlights the 'Charge today \$7.00' section, which also includes the text 'Your next charge will be for \$7.00 on 2016-07-08.' At the bottom of this box are 'Upgrade' and 'Cancel' buttons. The footer contains copyright information, links (Terms, Privacy, Security, Contact, Help), the GitHub logo, and additional links (Status, API, Training, Shop, Blog, About).
